

Smart, simple identity and fraud protection all in one place.

Proactive protection to help stop threats before they strike.

We're doing more online than ever before – making us more vulnerable to fraud and online threats. MetLife and Aura Identity & Fraud Protection helps safeguard the things that matter to you most: your identity, money and assets, family, reputation, and privacy.

## Benefits of Identity & Fraud Protection powered by Aura

### Identity Theft Protection

Get alerts if we detect threats to your identity, SSN, online accounts and more. Plus, we help protect your personal info from data brokers that may sell your info on the Web.

### Financial Fraud Protection

Get alerted to new inquiries to your credit, suspicious transactions on your bank accounts, and changes to your home or car title.

### Privacy & Device Protection

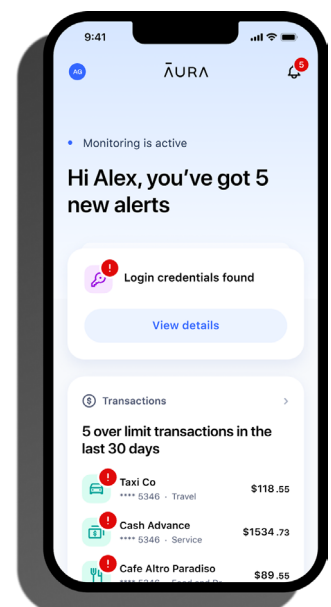

Shop, bank, and work online more safely and privately with safety tools, including VPN/Wi-Fi security, safe browsing, and password manager. Our solution also requests removal of your personal info from data broker lists to help reduce spam like robocalls, robotexts, and more.

### Customer Service

24/7/365 customer support to answer account, technical, or billing questions. Plus, resolution specialists provide white glove case management services to victims of fraud.

Protect what matters most.
