

KAISER PERMANENTE HMOs AT A GLANCE

Here's a look at what you'll pay when you need care. Generally, there are no out-of-network benefits (you must use providers and facilities in the Kaiser Permanente network). However, emergency services are covered by any provider.

You will begin to contribute toward the plan deductibles and out-of-pocket limits on July 1, 2022, and will continue through June 30, 2023.

Note: Certain services — such as private duty nursing, physical therapy, massage therapy or acupuncture — may be covered differently or may not be covered. There are coverage variations from state to state. For more information about the Kaiser Permanente coverage available to you, please refer to the Summary of Benefits and Coverage (SBC) available at [MyWSIBenefits.com](https://www.kaiserpermanente.org/MyWSIBenefits.com).
